01

Ag Science

Australian Geographic Science

ARRP: \$ 24.99

Suitable for Middle to Upper Primary. 32 pp. Hardback. Size: 210 x 272 mm.

Australian Curriculum - Earth & Space Sciences, Physics

A new curriculum based science series for grade years 4-6. These sturdy hardcover books cover three main syllabus points for each year with clear, detailed explanations, graphics and online experiments. Each book includes topical news pieces that integrate the subject with the cross-curriculum priorities of sustainability, Australia's relationship with Asia and Aboriginal and Torres Strait Islander cultures.
